

Summer Programs 2024

We have provided the 2024 summer school /summer enrichment options for Churchill students. MCPS is providing two options for summer school. We have also provided the links to [MCPS Summer Programs](#) site. Additionally, Churchill will offer two-week enrichment courses in July (based on interest and enrollment).

Summer school registration will begin on March 22nd and information will be provided on the MCPS website. The information is linked below. Families can sign up on ParentVue. For any additional questions regarding MCPS summer school, please contact your child's school counselor.

WCHS Local Summer and Prep Program registration will begin on March 22nd. The information is linked below. For any questions regarding WCHS Local Summer programs, please contact, Mr. Evan Rosenthal, coordinator.
