Zinc Ignition Make It Real: Activity 1

p.1

In each sentence, underline two words or phrases that need examples to make them real. Then circle at least two words or phrases that use your senses.

1. Short and athletic, Jamal wanted to become a gym teacher one day, though he knew it would require hard work and creativity to inspire students.
2. Gardening is a fun and rewarding hobby where you plant and care for different types of plants, helping them blossom and flourish.
3. As a volunteer at the hospital, my friend Jane visits and chats with patients, showing kindness and compassion to people experiencing hard times.
4. Mei is a lepidopterologist, which means she studies and explores the fascinating world of butterflies and moths, observing their behavior, identifying different species, and contributing to our understanding of these beautiful insects.
5. I learned how to type by practicing regularly, using proper finger placement on the keyboard and gradually increasing my speed, allowing me to efficiently communicate and complete tasks on the computer.
6. Grandpa loves baking delicious treats, spending time in the kitchen to create mouthwatering cakes, cookies, and pies that bring joy to our family gatherings.
