

GoodLuckTrucks.Org

Overview

The project in hand will basically consist of two parts

(Objectives)

1. **The consumer : To bring the consumer the best mobile food options that are available on wheels.**
2. **The Vendor : To help assist the vendors associated with GoodLuckTrucks.Org reach the largest marketplace giving them an opportunity to increase sales and productivity.**

Specifications

To access all the benefits you can receive with membership you must first have a few things like a smartphone with data access to accept email requests for services and to give G.P.S coordinates so our customers can find you.

Milestones

Preparations from food truck vendors being up to date on the needs and wants of the modern consumer accessibility being able to be found on the world wide web.

GoodLuckTrucks.Org membership basics :

- 1.) You get a @GoodLuckTrucks.Org email address
- 2.) You are synced to our G.P.S network showing our customers where you are when you are working, turn on/off with the press of a button.
- 3.) A spot on our menu board , This is a place where customers can see your menu, locations and any promotions you may have.
- 4.) You will get access to our vendors chat room where vendors talk about big events coming that are in need of Food trucks like carnivals, festivals, events etc.
- 5.) You can sync a payment method so you can take orders right through GoodLuckTrucks.Org.
