

SUMMER READING 2024 SNACK FOOD DONATION LIST FOR FSPL

Please choose something (or multiple items) from the list below. Miss Val will cross them off her list when she receives them. If you cannot choose anything on the list, **we still want your donation!** This is a list of **suggestions**, based on our themes, patron dietary needs, and past usage.

Note: If an item has more than one box/package beside it, donate as many as you can and Miss Val will adjust the quantities needed. You do not have to donate all of the items in that category.

Thank you for your contribution!
