## Naviance Student | Activity 5

### What to Expect Junior Year

Congratulations on the near completion of your Sophomore year! Your teachers and counselors are looking forward to a great Junior year with you.

\_ Your HHS Counselors

Please continue to work hard on the assignments that are given to you in advisory and Naviance. This is not work to keep you busy, but a way to assist you along your path to an exciting and happy future. The College, Career, and Personal Inventories will assist you in your planning and make this a less stressful journey!

Junior year is very important because your grades and classes will be the ones that colleges will look at most closely. You have important decisions to make regarding potential career and college possibilities.

- ☐ Today you will be receiving the College Planning: 11th grade handout from the College Board. Most of the steps on the planning guide are relevant to your Naviance Research tools and assessments. Please make sure to go over the checklist carefully:

- ☐ Go back and review your progress in Naviance.
  - The Career Interest Profiler and the Career Cluster Finder are helpful resources to complete before looking at Colleges and Training Programs.
  - The Do What You Are and Learning Styles Inventory will help you to learn more about yourself and be a better student.
- ☐ Go to the ABOUT ME tab to view your results and to find out what you have completed and still need to complete.
- ☐ Please check off the Assessments that you have completed.
  - ☐ Career Interest Profiler
  - ☐ Career Cluster Finder
  - ☐ Do What You Are
  - ☐ Learning Styles Inventory

**\*\*Any of these that you have not completed should be completed. Start at the top of your list and complete any missing Assessments\*\***
