Montessori Centre is seeking a certified, Lead Toddler Teacher and Lead Early Childhood Teacher for the 2023-2024 school year. We have three toddler environments which serve children ages 13 months to three years and four primary environments serving children ages 2.5 through kindergarten. Our Lead teachers are collaborative and resourceful in helping children develop to their fullest potential. Our environments have many materials to support children in their development as well as outdoor access throughout the morning Work Cycle. We are a small, private school located in Green Hills, which is a suburb in Nashville, TN. Close by are many restaurants, retail, interstate access, and neighborhoods. Our school is in a residential area with classes contained in two houses. The outdoor access is expansive, on nearly 3 acres, with a creek, garden, and natural playground area for children to explore.

Minimum requirements include a Montessori Toddler/Early Childhood teaching certificate and must be least 21 years of age. It is preferable that the candidate has a bachelor's degree and a minimum of one to three years of experience.
