CBI WEBSITE PROJECT (alt)

12.12.2024–

Deliberate Digitals & Design Express

Overview For the Basic Website.

We understand that budget constraints may apply. This alternative option provides a more basic website solution while still meeting the institute essential needs.

Scope of Work.

- Customized website design tailored to your organization's needs
- Responsive design for seamless user experience across devices
- Easy-to-use content management system (CMS) for updates and edits
- Search engine optimization (SEO) setup
- Domain registration and hosting for one year

Deliverables.

- Customized website design concept
- Fully functional website with integrated features
- Content management system (CMS)
- Search engine optimization (SEO) setup

Average Timeline.

- Week 1-2: Domain registration, hosting, and initial design concepts
- Week 3-4: Customized theme development and CMS integration
- Week 5-6: Testing, debugging, and launch preparation
- Week 7: Launch and deployment

Investment.

- **Total Investment: ₱280,000**
- Breakdown:
 - Domain registration and hosting for one year: ₱80,000

Personal

Create your home on the web with a custom domain name.

\$4

per month, \$48 billed annually, excl. taxes

Free domain for one year

Storage
6 GB storage

[Get Personal](#)

Unlimited pages, posts, users, and visitors

Free domain for one year

Ad-free browsing experience for your visitors

Dozens of premium themes

Fast support from our expert team

Customize fonts and colors site-wide

- Customized website design and development includes **Theme** payment: ~~₺~~140,000
- Content management system (CMS): ~~₺~~15,000
- Search engine optimization (SEO) setup: ~~₺~~20,000
- Miscellaneous (testing, debugging, launch preparation): ~~₺~~25,000

Payment Terms

- 50% deposit upfront to commence work on the project
- Balance of 50% due upon completion of the project

Key Differences from the Original Proposal

This alternative option does not include:

- **Unlimited page extension for other website building related to the subject**

-
- **Bonus of One year Domain purchase**
 - **Quarterly maintenance and debugging for one year**
 - **Bonus of One year free Web hosting fee.**
 - **SSL Support (it depends on the inbuilt security patch)**
 - **Free Content management support for one year**
 - **Bonus features such as blogging patch for newsletters and engaging content**

Kindly Note

- The Domain name and server hosting are currently on 50% discount due to the festive season. Price may go back to its default, after the festive period.
- Please note that this alternative option provides a more basic website solution. While it still meets your essential needs, it lacks the additional features and support provided in the original proposal.

Any Further Questions and explanation will be attend to, if requested.

Thank you for considering our services.
