

# Bonus Character: Mary

## Origin: Ib

It's the girl from the painting... Mary from Ib has entered! She's not actually participating, she's actually the host! But she claims she isn't responsible for the transpiring events. But then who is? And what are her secret motives?... Perhaps we're thinking too hard about this, but with her yellow rose and palette knife in her hands, it's best to remain wary. You never know what she'd do to ensure that she will be with the rest of the competitors, together forever...
