

I AM A FLOWER

*A pure and sensuous being
Known for beauty, aesthetic and decoration
Found in vases, pots and gardens
Used to represent notable achievements
As a mark of honour and recognition.*

*Present at your occasion and events
Celebrating your anniversary and jubilee
Creating the mood for happiness and joy
Popular as gift notably among lovers
A symbol of respect for the departed soul.*

*Held in the hand of a beautiful bride
Beaming with smiles walking down the aisle
On the minds of the bridal train
Setting their eyes and ready for a catch
When I am being thrown as a sign for next.*

*Hibiscus, Lily, Sunflower and Roses
Often sent as an emblem of love
Giving good scents, flavour and fragrance
I set the mood for the other room.
Adding cool pleasure to the atmosphere.*
