STREET GANGZ SITUATIONALS

A user has submitted a below average application (Character picture, reason for joining, etc...). Compared to other applicants, they just won't make the cut.

How do you approach denying them from the Street-Gang?

	N/A	
--	-----	--

Your Street-Gang is having an IC territory dispute with another Street-Gang. However, the opposing Ganglord hasn't been cooperative with you in scheduling hosts and is generally being very hostile.
What do you do?

N/A

When hosting a startup in your Gang's territory, a negative leaning faction has decided to patrol through and stumble across your territory. This negative faction doesn't have any open-combat rules with The Chromeskulls.
What do you do?

N/A

Write a three part introduction arc for your Street-Gang, which you will host if your Street-Gang is accepted.

N/A

Post your Street-Gang document here ([Template for ease of access](#)).
