1. One of the most important things in this chapter is when Simon and Ralph talk about getting home someday. Write the quote that Simon says to Ralph. Then in a complete sentence or two, tell what is important about it. Think symbolically.
2. This chapter is also very important because it is the first time that Ralph ever hunts a pig. What does Ralph feel about the experience? What does it mean symbolically?
3. During the hunt, the boys do their “dance.” What happens during this dance that is different from the one earlier? What is important about this and what may it foreshadow?
4. The boys discuss looking for the beast, even though it has grown dark. Ralph wants to wait until it is daytime, but Jack insists that they keep searching. Why does Ralph finally agree?
