Participating Organizations, Terms and Conditions

Overview

Our camp community is designed to be inclusive and available to everyone, and especially working families.

Over the years, we've developed great relationships with our Camp Families, and the companies where they work, partnering with dozens of local, regional, national, and international organizations to provide additional savings.

Parents who are employees of organizations participating in our Workforce Discount Program receive an additional **savings of $20 per week enrolled, up to $160 savings per Camper,** when they enroll and upload proof of employment to their camp account. Proof of employment includes a letter on company letterhead, a current pay stub and/or an ID badge.
