These costs are the responsibility of the customer and will not be paid by the Stud Owner.

4. We may ask for documentation to prove a female is not pregnant at our own discretion. However, if a litter of two (2) or more pups are born and die, the Stud Owner will not grant a repeat breeding as it is the owner of the Dam's responsibility to take care of the whelping and rearing of the pups. (Please, please take your pregnant female to the vet on a regular basis while pregnant and get an ultrasound and schedule a c- section if needed, vet visits are vital to a successful birthing!)
