Class Project

All Skillshare classes include a class project that prompts students to put their new skills to action. Come up with a fun exercise or assignment that students can easily complete. Learning more about crafting a class project here.

Project Description

JVZoo is a popular affiliate network among people in the "make money online" industry. Most of what's sold on there is info products like ebooks, video tutorials, software, apps, plugins, and things related to email marketing, list building, self help, product development and more.

Making money online using JVZOO is not hard at all. It just takes a little practice and implementation.
