Subscription

The value of the double daily bonus you will receive under your subscription is calculated based on the value of the coins and boosters you will receive, should you collect each daily bonus over a 7 day period. Please note that the contents of the daily bonuses may be changed by bubble Pop from time to time in our sole discretion.

Your subscription will continue for its subscription term (for example, week-to-week) until terminated. Your subscription may start with a free trial. The free trial period lasts for 3 days, or as otherwise specified during sign-up and is intended to allow you to try the service.

Unless you cancel your subscription at least 24 hours prior to the end of your current subscription term your account will be charged for the next term. You can cancel your subscription at any time, and you will continue to have access to your subscription through the end of your billing period. To the extent permitted by the applicable law, payments are non-refundable and we do not provide refunds or credits for any partial- membership periods. To cancel, prior to the applicable renewal date, go to the subscription setting on your iTunes account page and follow the instructions for cancellation. If you cancel your membership, your account will automatically close at the end of your current billing period.

Bubble Pop may change the subscription terms and the price from time to time change, modify, add or remove portions of these subscription terms by posting the updated terms on our website.

Copyright Complaints

We take intellectual property rights seriously. In accordance with the Digital Millennium Copyright Act (“DMCA”) and other applicable law, we have adopted a policy of terminating, in appropriate circumstances and, at our sole discretion, access to the service for users who are deemed to be repeat infringers.

How can I access and update my personal information?

You can update your name and email address by emailing us at bewinter0815@gmail.com, or to request that we delete any record of your name, email address, or any other information we hold on you.

Will Marble Blast Games share my information with anyone else?

Marble Blast Game commits to keeping your personal information confidential save that we:

- use a range of data processing companies to help manage your information. However, we require these companies to comply strictly with our instructions and they are not allowed to use your information for their own business purposes (unless you have explicitly agreed to this). We also require these companies to have appropriate physical and technological security measures to protect your personal information.
- may share your information with third parties where you have specifically agreed to this. We won't, however, sell your data to any third party.
- may disclose your personal information where we are required or permitted to do so by law or to protect or enforce our rights or the rights of any third party.

How long does Marble Blast Games keep my personal information?

We will keep your information only for as long as it is relevant and useful for the purpose for which it was originally collected.

If you request us to delete your personal information (eg your name and email address) will be deleted promptly, which means that all other information we might hold about you (such as how you have used Marble Blast Games digital products and services) will be anonymised and we won't be able to recognise that data as yours or contact you about it. Please note if you don't want to continue to receive relevant targeted advertising on Marble Blast Games digital products and services after you have closed your account, we recommend that you also delete any cookies set on your device. Where we hold other information (resulting from, for example, submitted competition answers) we will keep this for the minimum amount of time necessary for the purposes of running the competition or other relevant purpose.

Security Measures

Once we have received your information, we will use strict procedures and security features to try to prevent unauthorised access.

Unfortunately, the sending of information via the internet is not completely secure. Although we will do our utmost to protect your information, we cannot guarantee the security of your data sent to Marble Blast Games digital products and services; any sending of information is therefore at your own risk.

How do I contact Marble Blast Games if I have a question about privacy issues?

If you have any questions or concerns about privacy issues, you can contact us at Bewinter0815@gmail.com

Access to your information

If you would like to know what personal information Marble Blast Games holds about you, you may make a request to Marble Blast Games for copies of this information. You should be aware that we will need to see proof of identity before processing any such request (known as a 'subject access request') and may charge an administration fee to cover our costs in providing you with this information.

All subject access requests should be made in writing and sent to superbubbles@gmail.com

Changes to this policy

Our privacy policy may change from time to time. Any changes we may make to our privacy policy in the future will be posted on this page, and, where appropriate, notified to you by email.
