

# Week 4 Pre-class Questionnaire

This questionnaire is on the assigned reading/viewing/listening materials and is due prior to the class in which they are discussed. It is a place to practice applying the materials to your own experience, practicum site, and prior learning. Most of the questions do not have one “right answer”, rather, there are many right answers. Your thoughtful engagement and application of the materials will produce the best results. Note: Your Pre-class Questionnaire score will be available in Moodle each week.

1. What does it mean to “not take things personally”?
2. Reviewing your learning plan, where do you see the biggest need for you to focus in the next six weeks?
3. Where did you find the information about the history of your agency? Is this something that the public can access?
4. What is the difference between cultural humility and cultural competence?
5. After examining the [ADDRESSING model in Figure 4.5 \(in Chapter 4 Working Across Difference\)](#) reflect on your own identities. Which of your identities represent more power, and which represent less power?
