**Registration for 2021-2022 Pittsfield Public Virtual Academy
By August 4, 2021**

Hello Pittsfield Families,

I hope you and your family are enjoying summer. As you may know, the Pittsfield School Committee has authorized the Pittsfield Public Schools to offer a virtual academy for the 2021-2022 school year. This K-12 virtual academy will have the capacity to enroll 324 students total.

In order to hire adequate staffing and continue planning for the upcoming school year, PPS must have an idea of the number of students that will be attending the Pittsfield Public Virtual Academy. We are asking any family who intends to send their child to the PPVA during the 2021-2022 school year to begin registration using the form link below:

<https://forms.gle/kt5RyQf6Ae3UoT9s6>

Unlike last year, all students who intend to attend the PPVA must be registered by August 4, 2021.

We must hold this registration date firm to ensure that we have the staff needed to support our students with class sizes that are within acceptable guidelines. Confirmation of enrollment in the PPVA will be sent to families August 9, 2021. **Enrollment in the PPVA will be for the entire duration of the 2021-2022 school year.**

Principal Tillona will hold an informational session and orientation for registered families in early August, the exact date and time to be announced very soon.

If you have any questions, please don't hesitate to contact Principal Tillona at ctillona@pittsfield.net or Interim Deputy Superintendent Henry Duval at hduval@pittsfield.net.

Thank you,
Joseph Curtis
