

Family Baskets!

Bringing back an old tradition! Each family will choose one basket from the following list. Students will bring in the objects and we'll provide the baskets. **All materials should be brought in on Monday, April 29th**, so that the baskets can be assembled and ready for the annual online auction.

Please put a note on each basket with the title, the family who sponsored, and the content of the basket if it's not obvious. Brigitte will wrap with cellophane and ribbon. These baskets will be bid on to raise money for our illustrious art department!

Also if you think of another kind of basket that you would like to do...go for it! These are just suggestions.
