

# Sewing After School at Hello Stitch Studio

Thank you for signing up for Sewing After School at Hello Stitch! During your session in our after school program, your child will learn how to safely operate a sewing machine and how to use many tools used in a sewing studio.

## What we provide:

At Hello Stitch, each student will be provided with all the tools they need and all project materials, including fabric and thread. We even provide a sewing machine!\* All your student has to do is show up, be ready to learn and have fun!

\*Do you own a home sewing machine and would like your child to learn how to use it? If it is in good, working order, you are welcome to bring it to class. If you have the owner's manual, please send it along with your machine.

## Behavior Policy

Students are expected to behave in a way that ensures a safely run class. If a child is keeping the class from being fun, safe or educational, and this behavior cannot be resolved, the student may be dropped from the class and no refund will be made.

## Missed Classes

We cannot offer refunds, credits, or make up classes for missed classes during the after school session. When absences occur we will do our best to get your child caught up with the project during future classes. If the materials are available and lend themselves well to creating art at home, we will do our best send your child home with materials to complete the project on their own.

## Cancellation Policy

- Cancellation 14 days or more before the first session = 90% refund of the total balance.
- Cancellation 8-13 days before the first session = 50% refund of the total balance.
- Cancellation less than 8 days before the first session = 0% refund of the total balance.

## Mid-Session Enrollment

We offer mid-session enrollment when space is available, and pro-rate tuition based on the remaining classes left in the session. Contact us for more information.
