

Script for Back-to-School Robocall

Please download this robo call script and save the downloaded copy to your computer. On the copy you have saved to your computer, make edits that tailor the messaging for your school circumstances.

Insert Greeting,

Tomorrow and/or add date is the official first day of school for ALL STUDENTS!

Welcome to a new school year filled with opportunities to learn and grow! Let's work together to make the most of the school year by helping students to show up and participate every day possible.

Insert the time school begins and other details about school start times.

Getting back into the habit of daily attendance matters more than ever this school year. If there is anything that we can do to help make sure that your student is making it to school, please let us know.

If leaving a message, insert name and contact information for school contact.
