

## 2025 Partnership/Sponsor Opportunities

### ABOUT LPGA AMATEURS

LPGA Amateur Golf Association is the recreational arm of the LPGA. It joins the LPGA Tour, Symetra Tour, LPGA Professionals, LPGA\*USGA Girls Golf, LPGA Leadership Academies, and the LPGA Women's Network. Over 15,000 members in 120 US and International Chapters enjoy organized playing, learning and networking opportunities for adult women of all ages and abilities through a variety of local, regional and national events.

### ABOUT THE LPGA AMATEURS COASTAL NJ CHAPTER

Our chapter has been connecting women golfers in Monmouth and Ocean counties since 2021. We offer leagues, events, educational and networking opportunities for our members. We also host charitable functions to support causes affecting women in our community. Due to the unique nature of our association, members may belong to multiple chapters throughout our network, thus expanding their national and international reach.

Each year, the chapter has enjoyed the financial support of a growing number of businesses. Sponsorships help defray our administrative expenses and allow us to offer educational, networking and charitable activities to our members and local communities.

Sponsors are the WOW of our organization. Our goal is to increase awareness of you and your business or organization. We encourage mutuality and win-win opportunities!

To drive traffic to your business or organization, we offer the following:
