

Dear Enzo,

How's everything going?

I saw this postcard and thought of you. It would be great if you could come to Russia again, or if I could go to Italy.

*Best wishes,
Margaret*

Dear Morgan and Catherine,

May, Uglow
Red Lion St
Holborn
I'm having a great time here in London.
Our friend Tom has shown us the London Eye,
Buckingham Palace, Westminster Abbey, Whitehall
and Tower Bridge. We've taken a yellow taxi and seen
red buses.

Now it's sunny but the weather changes every 30 minutes
Tomorrow we're going to visit Stonehenge and eat roast
beef and Yorkshire pudding.
Wish you were here

Love, Mary xoxo

Dear Emily,

Today is the perfect day to say that
you're an angel who always
shows me the right way.

May your birthday and every day
be filled with the warmth of sunshine,
the sounds of laughter, the feeling of love
and the sharing of good cheer.

Love, Tom
