

SHINY

NON-SHINY

“Critdra”

Kingdra

Has PKRS

Holding: Razor Claw

|31|31|31|31|31|31|

(SpAtt:255, Def:6, Spd:252)

Focus Energy, Draco Meteor, Ice Beam, Octazooka

Battle Tip: In Battle with this Pokemon, if you use Focus Energy, it will land Critical Hits 100% of the time, and when you land a Critical Hit, it ignores drops in Stats.

When you use Draco Meteor your SpAtt is sharply lowered, but the drop is ignored when you crit on the next turn, meaning you can Spam Draco Meteor with no consequence.

SHINY

NON SHINY

“Focus Pass”

Has PKRS

Holding: Scizorite

|31|31|31|31|31|31|

(Def:65, SpAtt:128, SpDef:65 Spd:252)

Focus Energy, Baton Pass, Toxic, Venoshock

Battle Tip: Send out in battle, Mega-Evolve and use Focus Energy.

On the next turn, use Baton Pass and select **Critdra**.

Critdra can now Crit from the start without needing to use Focus Energy!
