More writeup tomorrow. We finally found RainbowDa5h and had dinner with him & his friends, will post photos from that tomorrow.

For now, enjoy some photos from the gallery!

Rainbow Dash, my Co-pilot!

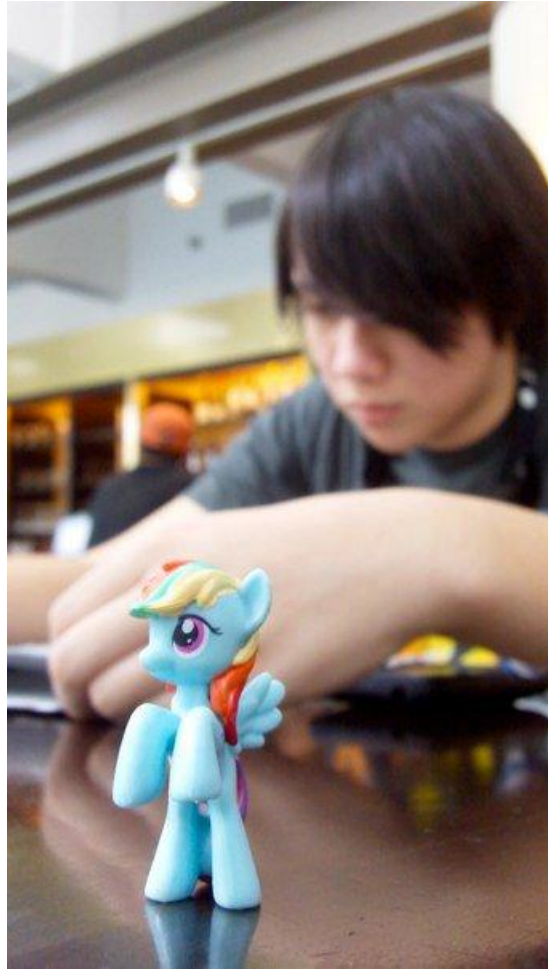

Dash wanted to drive for a while, I said yes, but took over again when my MPG went to shit... she said something about trying to get there in 10 seconds flat.

... meanwhile, in the other car, I think Miss Dash succeeded...

... anyways, more con photos, in random order now! (Seriously, it's late, and I wanna go to bed... :'( )

(Breakfast Dash)

(Random Bronies Outside Con!)

(Shirts from various spreadshirt stores for Con)

(Electronic Gaming Society @ Chicago)

Rachel's Booth!

Rachel's Pins!

More pony merch! I'll take more pics tomorrow. These badges were 8\$/ea or 3 for 20\$ or something like that. They also had Rainbow Dash & NyanCat that had Rainbow Ribbons coming off of the bottom of the badge...

... off to bed for me! More writing/pics tomorrow.
