Douglas Low

I joined Biggar RFC some 28yrs ago.

Having previously played for Livingston RFC since the age of 16, I became mini coach for p6/7 s and remained so for the next 25yrs.

. During this time, I had the privilege and pleasure of seeing some of the juniors go all the way to play for the First team.

I have also been club treasurer for 2 yrs prior to Nigel Pacey taking over 3 yrs ago. In addition, over the last 3 yrs I have been an add hoc trustee in c harge of overseeing the club finances.

Is m therefore well acquainted with the financial running of the club and understand the aspirations and goals of both committee and members alike

I would therefore consider it a privilege to continue as a formal trustee for the next 2 yrs if elected

Yours sincerely

Douglas Low
