

Role: Creation Care Team

Line Management: Minister

Time Commitment: 1-2 hours a week

Description of Role:

**Ecochurch Accreditation:**

- Collaborate with the Creation Care team to understand the requirements for Ecochurch accreditation.
- Participate in relevant training sessions or workshops related to environmental stewardship.
- Assist in gathering evidence and completing necessary documentation for accreditation.

- **Promoting Environmental Awareness:**

- Raise awareness among church members about the importance of environmental care and sustainability.
- Encourage eco-friendly practices within the church, such as reducing waste, conserving energy, and supporting local biodiversity.
- Help organise educational events, workshops, or guest speakers on topics related to creation care.

- **Church Grounds and Facilities:**

- Work with the team to identify areas within the church grounds that can be enhanced for ecological purposes (e.g., wildlife habitats, native plantings).
- Coordinate planting initiatives, garden maintenance, and outdoor reflection spaces.
- Incorporate Bible verses and explanations highlighting the Christian responsibility for caring for nature.

- **Community Engagement:**

- Engage with the local community to promote environmental awareness.

- Encourage community members to use church grounds as a green space for relaxation and reflection.
- Collaborate with local schools, community groups, and other churches to share best practices and initiatives.
- **Youth Involvement:**
  - Work with the youth group to raise awareness about creation care.
  - Involve young members in practical projects, such as creating bug hotels, bird feeders, or butterfly gardens.
  - Encourage youth to design a logo for the Creation Care group.
  - Communication and Outreach:
    - Maintain a webpage or section on the church website dedicated to the creation care journey.
    - Share success stories, updates, and upcoming events related to environmental initiatives.
- **Promote the church's commitment to creation care through newsletters, social media, and announcements.**

### **Qualifications:**

- Passion for environmental stewardship and creation care.
- Willingness to learn and engage with others.
- Ability to work collaboratively within a team.
- Good communication skills.

### **Benefits:**

- Be part of a meaningful movement within the church community.
- Contribute to a greener and more sustainable church environment.
- Learn and grow in your understanding of creation care.

### **Expectations of the Church:**

- To give you the relevant training and Safeguard Training

- To support you in prayer in this role
- To give as much notice of any changes that are needed
