Greetings 5th Grade Families,

All students in grade 5 will be permitted to take their chromebook home daily. Chromebooks can be used at home to collaborate with classmates, and to complete assignments. The students will be issued a charger and a chromebook case. Please be reminded that the district uses Securly as a product that applies the filtering we use at school to student Chromebooks at home. Securly filters sites visited, searches, and images. It **cannot** capture video or audio from the device's camera or microphone.

The Securly parent portal allows parents to do the following:

- Search their child's browsing history on their school-issued Chromebook.
- Set restrictions at home on their child's school-issued Chromebook (block specific sites such as YouTube, etc.)

This product will be provided to parents as a free resource by HVRSD to help monitor at home.

We will review our expectations for appropriate chromebook use and care with the students during the first several days of school. Similar to textbooks, if a device is damaged more than one time the district does reserve the right to charge a fee for the device to be repaired. For more information, please review the HVRSD technology policies below:

- [HVRSD Technology Acknowledgement](#)
- [Device Care Policy](#)
- [Responsible Use Policy \(RUP\) updated](#)

Please feel free to reach out with any questions or concerns.

With Thanks,
Melissa Lauri
Principal
Toll Gate Grammar School

A CENTURY OF EXCELLENCE
