Individual Room Rental Rates:

We're proud to offer several rooms to rent within the Events Center. They can be booked a la carte style depending on your event's unique needs. We can provide tables, chairs, and small AV equipment. Staffing requirements are listed below the room descriptions.

Gallery

(\$200/day)

The Gallery is a versatile space within our Events Center. It's equipped with glass doors that can be closed to partition it from adjoining rooms, allowing it to function effectively as a small reception area or event space.

It also functions as an exhibition space by showing our students' artwork. This integration not only enriches the aesthetic experience but also fosters a deeper connection between visitors and our educational community.

However, because it also serves as guests' primary entry point into the Auditorium, the Gallery is only rentable when the Auditorium is not in use.

Community Room

(\$200/day)

Located off the Gallery, this multifunctional space is ideal for meetings, exhibit booths, dance rehearsals, and other small gatherings. Amenities include a wooden Marley floor (with a sprung dance floor underneath), 2 large wall-mounted TVs, multiple 6-foot rolling tables, and chairs.

Required Staffing

Additional staffing may be required at Theater Manager's discretion.
