
DIRECTIONS:

- Create a new edublogs post on your student website (If you never created an edublog, the directions on how to do so can be found at [THIS LINK](#)).
 - The title is “My 1st SeeClickFix Journal”
 - In the body of the email, copy + paste ([here is how](#)) the 5 questions you see below into the body of your blog post
 - Answer the questions in the space provided
 - Publish your blog post
-
1. How difficult was it to create your SeeClickFix account?
 2. What did you have to do to create your account? Describe the process using as many details as you can.
 3. What kind of problem do you predict you will report to SeeClickFix?
 4. Why do you think that problem needs to be fixed?
 5. Explain why you think the Class Project will or will not make a change and help to solve a problem in this city.
