DR. JACQULINE MCCASKEY
ASSISTANT PRINCIPAL

Greetings,

J.L. Lomax is hosting our 3rd annual College and Career Fair on Friday, March 14, 2025 and we NEED YOUR HELP!

The College and Career Fair is an opportunity for our scholars to be inspired by our community and see the many paths out there for them to pursue. It is designed to encourage children to expand their horizons and deepen their learning passions.

We want to have a variety of careers represented from trade professionals to small business owners and colleges. Whatever you do, our scholars would love to know more about it! If you know anyone else in the community who would be good for our scholars to hear from please let us know.

***Please sign-up online at https://forms.gle/FWqZbbnEUWS2XEu7A
by Monday, March 3, 2025 so that we can adequately prepare for you.

We will have tables set up in the gym for you to display your business and share information with our scholars as they come around to each table. The fair will be for our upper grade students in third through fifth grade and will be held from 11:00-2:00. There is a break from 11:45-12:20 in which we will provide lunch for you in the Media Center.

Any questions or concerns, please feel free to contact me at rkimbrough@gocats.org or (229)333-8520.

Educationally,
Regina Kimbrough, M.Ed
School Counselor
