

## International Projects 2020

NSLA's 2020 International Project was to send a donation to the Ishongororo Lutheran Primary School in Uganda.

March, 2021

Dear NSLA,

Receive our warm Greetings from Ishongororo Lutheran Primary School.

We pray and hope you're still safe in this time of hardship of Covid-19, we are also doing well and still safe though we've some cases around us but God still reigns.

We again thank you for the donations you've been doing for us.

I want to inform you that in our country they managed to open the schools but for only candidates or those in their final year.

We currently have primary seven pupils here at the school and are happy to use the books you donated to us.

Duncan

Administrator

Ishongororo Lutheran Primary School.
