

Intro to Mixed Media: Flora and Fauna Illustrations
Supply List

Instructor will give demonstrations in acrylic inks, but students may work in the water-based media of their choice (watercolor, gouache, acrylic inks).

PURCHASE OF THESE SUPPLIES IS NOT MANDATORY.

- acrylic inks: (process yellow, ultramarine blue, process red, black OR sepia)
- brushes (synthetic water-media brushes: one small round brush- size of your choice; one 1/4 flat brush; one 1/2 flat brush; one one-inch flat brush)
- ink-appropriate palette (small ceramic palette with at least 5 wells is recommended. Plastic palettes do not work well with acrylic inks.
- wet media paper (I prefer hot-press water color paper. You will work on small studies, 8x10 or so. 2-3 per week. You may buy a small pad or tear paper to size)
- rubber ("mars" eraser)
- colored pencils (red, blue, yellow, black, sepia)
- Micron pen (I prefer 03, but size is your choice)
