320 (20 Reservists) Civilians

40 renegade soldiers.

Civilian communities are beginning to coalesce. The cycle of politics is about to begin in the next two months, roughly.

Soldiers all seem to be from human or human-esc societies, and thankfully are meshing well. 140 soldiers have agreed to take up arms and join the Pathfinder Alliance.

20 have decided to retire and have joined the civilian populace, with the agreement that they are reservists in case of emergency.

40 have decided to forego aligning themselves with the Pathfinder Alliance and have delved deeper into the station. Current whereabouts: unknown.
