This coming Saturday, October 2 is [National Custodial Worker's Recognition Day](#). If you visit any of our buildings this week or next, please extend your thanks to the custodial staff who keep our buildings in top operating condition throughout the year. They are the unsung heroes of our staff. I appreciate the extra effort they continue to give as bond work progresses in a number of areas throughout the district. Thank you!

This week's Bus Tip from Safety Dog:

Stay in Your Seat

Is your child a wiggler or a social butterfly? Remind them to always stay seated while the bus is moving. For more tips, watch First Student's Safety Dog Says video with your child:

Thank you once again to **Central Middle School Band Director Shawna Manhart and her 8th grade band students** for their commitment to our community in their Adopt-A-Highway efforts. Saturday found them busy working and serving our community as they battled the impending rain. We are so proud of you! More photos of their work can be found on the [Central MS Band Facebook page](#).

Each month, **our Board of Education accepts gifts and grants** given to the district, and acknowledges donations given to district-related groups. We are so grateful for the generosity of our community. To see this month's gift recognitions, please go to 27:03 in this [video of the board meeting of Sep. 19](#).

Parents and Guardians: State of Michigan law requires that schools and day care centers that may apply pesticides on school or daycare property must provide an annual advisory to parents or guardians of students attending the facility. Our annual advisory has been posted to the [School Safety page on our website](#). We invite you to take a few moments and read through this brief document.

St. Clair County Community College will be hosting the second annual **Wolverine Invitational Wheelchair Basketball Tournament beginning Friday, Sep. 30 between 1-4:30 p.m.** where the U of M staff, along with Team USA Paralympian Paul Schulte, will be providing area students/educators/community members an opportunity to learn how to play adaptive sports (i.e. tennis, rugby, basketball, etc.). For more information, please visit the SC4 website.

Want to be part of the Port Huron Schools' team? A current list of vacancies is listed on [the District website](#). Qualified candidates must be able to pass background, physical, and drug screenings.
