

PERPHEADS
AN **AWESOME** GARRY'S MOD COMMUNITY.

Training Handout 3/11/2019

Appendix:

Making mistakes is absolutely fine, we encourage officers to act only how they think is best and to demonstrate how they operate as an officer. However, intentionally disruptive behaviour **WILL** Lead to a kick from the session and potential punishments. **(All Policies Still Apply)**

This session we will be offering candidates a retry for each stage. This is likely to change depending on the situation or the time that has already elapsed.

Stage 1: Bank Robbery

Description: You will be told to patrol around the city, before being alerted over radio that a bank robbery has begun by dispatch and are expected to respond code 3 and deal with each situation to the best of your abilities.

What we expect from you (method of dealing with the situation)?

- Respond to the bank robbery code 3 using lights and sirens with safe and efficient responsive driving.
- Take care when responding, insuring your own, partner and any other officers safety making sure not to alert bank robbers until backup arrives.
- With good observation skills and situational awareness. Take note of any active shooters and potential flankers, relaying information over radio to your fellow officers.
- If possible create a perimeter of the bank with fellow officers before entering at the same time.

Potential Good Observations / skills demonstrated:

- Responsive Driving
- Communication
- Situational Awareness
- Observation
- Leadership

Potential Bad Observations / Misconducts:

- Shooting Violations
- Use Of Force
- No Communication
- Unprofessionalism when in stressful situations
- Confiscating

Laws to look at:

- 4.6 Confiscation
- 9.2 Physical Assault with a deadly Weapon
- 9.3 Threat Of Physical Harm
- 9.5 Murder
- 11.4 Trespassing
- 11.6 Theft

Policies to look at:

- Use Of Force
- Code Of Ethics
- Duty Of Care

Stage 2: Open incident in Bazaar.

Description:

You will be patrolling around the city when alerted of an emergency message regarding possible break in at Bazaar. On arrival, you will witness multiple armed and possible suspects. Maintain a high level of focus and perform to the best of your abilities.

What we expect from you (method of dealing with the situation)?

- Respond to the Bazaar code 3 using lights and sirens with safe and efficient responsive driving.
- Inform other officers where you will be approaching bazaar from. This is in order to secure a perimeter with good communication, not allowing any possible suspects to escape.
- Once backup has arrived, enter the bazaar.
- Detain any armed/possible suspect you have a reasonable reason to believe they could have been involved in the crime.
- Inform any unarmed potential bystanders to stay inside their shops until the situation is over.
- Use lethal force when necessary against active shooters.
- This situation will be very stressful, remember to uphold code of ethics and remain professional at all times.

Potential Good Observations / skills demonstrated:

- Communication
- Use Of Force
- Professionalism
- Perimeter setup/hold
- Duty of care- making sure you identify suspects before using lethal force.

Potential Bad Observations / Misconducts:

- Shouting at suspects, bystanders or over radio
- Lack of organisation
- Poor setup/ hold of perimeter
- Entering the Bazaar alone
- Duty Of Care - ensuring everyone's safety
- Putting other people's lives in danger
- Poor policy and law knowledge

Laws to look at:

- 4.6 Confiscation
- 7.5 Displayal Of Offensive Weapons
- 7.6 Sale Of Offensive Weapons
- 9.2 Physical Assault with a deadly Weapon
- 9.3 Threat Of Physical Harm
- 9.5 Murder
- 11.5 Breaking and Entering

Policies to look at:

- Use Of Force
- Code Of Ethics
- Duty Of Care
