## The Bunny Bar

**Glass clinking.** Rough night, huh? Don't worry I can chat with you, it seemed like you wanted some company. Haha don't worry you can say as much as you'd like to me as long as you don't talk as much as my boss haha. Oh that's happened to you recently? Well with your good looks I was sure you can get away with everything haha.

---

What!? Your boss really said that? Why are all the shitty people in charge of everyone? It's a good thing I don't know where you work or I'll come over and slap him in the face myself. Haha what do you mean with my small hands... I have you know my hands can do wonders... haha I'm kidding no need to look so flustered I never knew you'd be such a softie.

Are you perhaps a virgin? Haha I'm joking no need to tell me- **Slams table.** What!? A cutie like you- no I don't believe it haha. You gotta tell me how that's even possible there's no way girls haven't approached you. Tell me what's your secret. Haha I see.. so maybe being successful isn't just everything... **Whisper.** Maybe it's because you haven't experienced how good it feels.

**Laugh.** When you blush your ears turn red too **Whisper.** I wonder what you're imagining. Would you like to tell me? **Laugh.** don't be shy. I listened to your worries. I'm sure this is enough in return. So tell me what you were thinking about. **Laugh.** yea? I love that idea but how about this... you behind this bar... me on top... nobody knowing. And I can casually take orders... no one will see you the bar is tall enough

Or did you want me to have some dinner tonight? There's curtains underneath the table and I can help with that problem you have between your legs. **Laugh.** Yea? With you breathing so heavily and your face so flushed I'm sure you want this as badly as I do.

Well, there is a...let's call it a "special" menu for something like this. I would usually charge people for it but you can have everything for free for your first order. So order as much as you'd like tonight sweetie. Haha don't worry my boss won't know, as I said before we'll be doing it secretly no one will know besides us. **Whisper.** This will be our little secret. **Laugh.**

Here you go. **Shuffling sound.** Shh, be more discrete now, I wouldn't want people to think I'd give this to just anyone now, right? A joke? No, this isn't a joke at all. I'm sure you've heard rumors about this place. Besides...**unzipping sound.** Does it look like I'm joking? There, that's better.

Mmm it smells really nice. It makes sense since you just came straight here from work. What will happen if I do... this **Slurp.** Mmmm yea you'll need to be a little more quieter if you want to enjoy this more. We can't be caught too soon. **Laugh.**

**Slurp.** mmmm it tastes so good mmm I honestly wouldn't mind having this as dinner every night... **Slurp.** mmmfm shhh keep your voice down **Laugh.** what if i were to play with your balls at the same time slurp hehe of course i'm not teasing you why would i ever do that. It's not like I love it when you shiver and you twitch everytime I say something naughty. **Slurp. Slurp.**

I'll make sure that I'll be your first and last because after tonight you'll only come to me for more hehe **Slurp.** mmfmm **Slurp. Slurp.** Ahhh mmmm- **Slurp.** ahh- it must have been sometime since you last enjoyed yourself, you came so much- shhhh it's okay I can clean it off my face don't

**Whisper.** well if it's your first time I want to make sure you're enjoying it to the fullest.. come with me **Shuffle.**

---

**Door opening and closing.** This room should be...perfect. Now...shh, don't be so surprised now. Come on, **Small thud.** See, isn't this a lot of fun? Let's...see. Mmm...There we go. You're just going to relax, and I'm going to take good, good care of you, alright?

Oh- it's getting hard again, I guess that means you're ready for more...Hehe But, I really do love teasing you though... place your fingers here.. **Wet sounds.** mmm yea slip it in. This is how wet you made me. If you do a good job with this I'll let you do whatever you want next- ahhh- y- you really can't wait hmmm- Ahhh yes- had your first taste of sex and you can't get enough of it- Ahhh yes... mfmfm yes you can be more rough put another finger in for me- Ahhh

Yes your fingers are so long they reach further than mine this feels sooo good yes yes mmmm- enough talk. Your mouth should be busy down here **Shuffle.** Ahhh yes flick your tongue on my clit mmmm ahhh- W- we can't be too loud or the customers would hear us- but ahhh how can a virgin like you make me feel so good- Ahhhh- mmm you meanie, i'm getting payback.

**Wood creaking.** Come on, let's get to the real thing, babe. Shh, you're just going to lean back, and let me handle it, okay? Good. hey, don't look at me like that. Here, you can put your hands right over...here. Let's just...fuck. Ahhh it's slipping in so smoothly... You're...**wood creaking softly.** This is going to be fun. Fuck...Shh, no moving, remember? Good...**wood creaking softly.** fuck, you're so...big.

Ahhh my pussy is being so greedy it's just taking it all in. Mmmm if this is how it is to have sex with a virgin like you I wonder how much better the sex would be after I train you-

Just...I'm going to start going...**wood creaking louder.** faster, okay? God... You can move...now. ahhh mmmmmfmm yea shove it in deeper- i told you.. you can do whatever you want- Fuck, I didn't mean that...fuck. Just keep...just keep it like that. Fuck...fuck. **wood creaking faster.** be rough- i like it rough- ahhhhh yes mmmmm ahhhhh God...I didn't know you could go...faster. If you keep going like that...fuck.

**Small thud.** You...you still want more, huh? I'm just...I'm surprised. Who knew you had an appetite this...big? **Shuffling.** Shh, don't move. Someone has to clean up this...mess. I can't have you ruining the bar, right? **Wet sounds.** Mmm...Hmm? Well, I'm just... **Wet sounds** mesmerized by all of this. **Shuffling sound.** I'm going to see your cock a lot more often now, right? Good boy.
