How was the Homecoming planning process for you?	4.125
How were the Homecoming Festivities for you?	4.25
What did you like about the Homecoming Festivities?	
<ul style="list-style-type: none"> • I like how our festivities were fun for the new freshman. • How our voice as student council and peers were heard and taken into consideration. • They were inclusive. • Everything was good • everyone participated • The photo booth • I liked how everyone helped set up for hoco. • I really enjoyed the photo booth and the fact that student council was able to be involved in announcements of student court, etc. 	
What is a change you feel needs to be made to the Homecoming Planning process?	
<ul style="list-style-type: none"> • New DJ! • NA • We need to send out the Homecoming theme earlier. If we get good decorations for Homecoming based on a theme, we would want everyone to dress accordingly. • N/A • none • nothing • Maybe for all of the student council to be involved making decisions. • Minimize or structure student performance, it was very unruly in my opinion. 	
What is something you feel needs to be added to the Homecoming Planning process?	
<ul style="list-style-type: none"> • Not sure at the moment • Every class men that works needs to be able to pick a certain spirit day based off their work day. • Better student membership voices. More help from the administration. Better support all around the board. • N/A • none • nothing 	

- I feel that maybe we should have different spirit week options.
- Minimizing song requests just in case so that the DJ won't feel overwhelmed, but that might not be a concern.

What do you feel went great about the Homecoming Planning process?

- That even though it was difficult we were the homecoming committee And did great setting up
- The solidifying of the events process! Process of elimination
- N/A
- everything went good
- We all communicated about things we wanted to add and remove
- I feel like this everything came together well.
- I feel that how everything came together at the hoco dance itself.
- I like that it all came together in the end, there wasn't much hope for me at the beginning but we made it.
