VO01 -Introduction to Multimedia Applications & Tools

Note: This is a sample blog report which was generated from a Google Form rubric then using the AutoCrat Script student data was merged into a Google Doc Template, each report was automatically email to each student upon running the autocrat script in the Google Form response sheet.

Blogging Assessment Score

The following is your blog assessment score for the week. Please refer to the Blogging Rubric for specific assessment criteria.
http://goo.gl/dRmxO

Assessment by: Elizabeth
Blog Owner: [redacted]
Blog URL:
http://[redacted].blogspot.com/2014/03/visual-presentations-week-8.html
Week #: Week #8

Ideas & Content	3.5
Relevant to Assignments	3.5
Writing Style	3
Blog Post Design & Enhancement	3
Blog Post On time	4
Comments	Hi [redacted], Glad to read that "I felt like this week was my ah ha week." As an instructor that's the kind of student feedback I love to hear. Nice job in the blog post and articulating your learning for each of the assignments. Yes, you can put lots of images in a slide to create a "mini patchwork," spend time creating a presentation and playing around with it...look for the Help link to find out more.
Total Score (out of a possible total score of 20)	17
