Hayesfield GIRLS' SCHOOL

Year 12 &13

LEAP Options Terms 5&6

The Hayesfield LEAP provision is designed to provide a wealth of opportunities for students to:

- 'Extend' their learning in subjects they are studying
- 'Enrich' their life experiences by trying activities which may be new to them
- Access 'Support' in a subject area, or with a certain skill

LEAP at Hayesfield

We want all our students to be able to achieve their academic and personal best and the LEAP programme is an integral part of that. It is important that your daughter participates as it is a compulsory part of our school curriculum.

Please sign up using our online registration system, which can be accessed via the LEAP section of the school website or by clicking here.
Places are allocated on a random allocation basis if an activity is oversubscribed.

Please ensure you select a minimum of THREE ACTIVITIES across the week.

All LEAP sessions will register attendance and we will notify you of any absence. If your daughter is unable to attend her clubs for any reason, please contact the main office so that she can be removed from the list for that activity on that day. All attendance will be monitored and where students have not engaged in the LEAP programme they will be expected to attend the Intervention Week in July. LEAP options run from 3.25 pm to 4.25 pm unless otherwise stated.

IF YOU DAUGHTER ATTEND AN EXTERNAL CLUB PLEASE ADD THE DETAILS HERE. If you have already completed this then you do not need to do it again as we have the information logged. All external activities will count as your daughter's LEAP. She is welcome to participate in the school's LEAP programme as well. Homework club runs everyday at both UOP Campus and BH Campus. Locations will be shared once all allocations are made.

If you have any questions please contact us via LEAP@hayesfield.com
