

Addendum to *Guidelines for Latin Teacher Preparation*

Resources

This addendum provides representative examples of resources for anyone involved in Latin instruction. While these materials are not necessarily endorsed or approved by the authors of the *Guidelines*, or the Joint Committee for Classics in American Education (JCCAE), we hope that they may be useful, especially for Latinists just beginning to teach. They will be annually updated by the Joint SCS-ACL Committee on Classics in American Education (JCCAE), chaired by the SCS Vice President for Education and the ACL President.
