

Instructions for “Rolling Up Our Sleeves”

1. Read this PDF of the class procedure: www.tinyurl.com/efnygratitude
You can give this link directly to students. You can also modify this lesson however you would like (especially lower levels). The true objectives are to make masks for donation and get students talking in groups.
2. Pick up your labeled bag of supplies in Rita Hall Teacher Room 2.
3. Choose any block this Thursday, December 9th and do this project in class. Use this form to tell us which group was voted the best and submit at least one photograph (with social distance, masks, etc.) [Rolling Up Our Sleeves Winner & Photo Submission Form](#)
Please remind students to sanitize their hands when sharing supplies and observe distancing protocols as usual.
4. Drop off completed masks in the blue bin in front of the Academic Desk Thursday the 9th after class or Friday the 10th.
5. Follow up with gratitude-based projects (located on the PDF) and tell students they can present them **in lieu of a quiz** on Monday, December 20th; feedback can be given on the spot and recorded as the quiz grade that day.
