Activity name	Day	Time	Description	Teacher leader	Dates	Grades
Arts, Culture and Innovation						
Crochet, Knitting, Crafts	Mondays	After school until 16:30.	Crochet and knitting will focus on developing skills and knowledge of these particular crafts with students developing creative pieces of work to demonstrate their understanding. The development of fine motor skills, creative imagination and patience are key to success in this area. Students will work alongside supporting students to help them develop their works.	Mrs. Liza Roos	2.5, 9.5, 16.5, 23.5, 30.5, 13.6, 20.6	5, 4
Well Being						
Invasion Games	Thursdays		Primarily focused on soccer/football and basketball, students will participate in these kinds of 'invasion games' that work on scoring and accumulating points. Involved in this process will be the study of tactics and practising of drills to develop practical skills which can be used across a range of games. Sportsmanship and collaboration are dispositions which will also be developed in the club.	Mr. Eric Müller	28.4, 5.5, 12.5, 19.5, 2.6, 9.6, 16.6	5, 4
