Subject- Birthday letter to my parents

Dearest [Mention the names of your parents]

I've decided to give you a day off from breaking up fights or telling us to do our homework for your birthday party. At the very least, I shall attempt. I wish you the most beautiful day ever. To me, you've always been one of the most beautiful women on the earth, and you're the best mommy ever.

Have a wonderful day today and a wonderful year. I have no idea what I would do without you, Precious Mother. I know that no matter what happens in my life, you will be there for me. I wish you a beautiful day today as well as a fantastic year ahead.

Beloved mother, everything I am now is due to you; you also taught me to be myself in difficult times; I wish you nothing but happiness on this great day. I adore you, mama, and I wish you a very happy birthday. You're my advisor, my buddy, my everyday love, and simply my mother. On this day, all I want is for you to have one of the most memorable birthdays ever.

I simply wanted to share my love with you on your birthday because you're the lady who has sacrificed her entire life to raise mine. I wish you a wonderful birthday party since you are without a doubt the best mother in the world. Have a great time, mum.

I would be eternally grateful to God for presenting me with an amazing gift in the form of my mother; I adore you and wish you the best on this beautiful day. Have a wonderful birthday, Mother.

I love you.

Yours truly,
