Note: this letter should be prepared and uploaded by the supervisor.

FY2026 World-leading Innovative Graduate Studies program (WINGS)
World-leading Innovative Graduate Study Program for
Quantum / Semiconductor Science and Technology (WINGS-QSTEP)

Letter of Opinion on the Applicant

1. Name of applicant (Student ID)	
2. Research topic (Copied from the "Research topic" section in the application form)	
3. Assessment of applicant	
4. Overall assessment Judge the overall research capacity of the applicant and rank how strongly you recommend this student.	Of the _____ applicants that I am recommending for WINGS-QSTEP, this applicant ranks ___No. __ in place.

Regarding the student's grant, financial support from his/her supervising professor may become necessary in addition to funding from UTokyo, for the permanence and expansion of the program. I fully understand this situation and will cooperate with the program in such cases.
