

**5th - 8th Grade Art**  
**3/23-3/27/2020**

**Hi everyone!**

**I hope you are all doing well. Welcome to art class. This week we are going to learn about Picasso. First is a short video about his life and his art. Just watch and enjoy. Next grab some paper and a pencil, watch the second video. Follow along and make a series of contour line drawings. Take your time, it is harder than it looks. Pick your favorite and add color, crayons, markers, paint, whatever you have is fine. Next watch the video on cubism. You will need to sketch something first, just use pencil on paper, but have a ruler on hand to follow along with the video. After you finish add color, again use whatever you have. When you finish, please take a picture of your art and email it to me, SIGN YOUR NAME ON THE BOTTOM RIGHT CORNER!!**
