

Dear Students and Parents,

We are very excited about our upcoming year in 5th grade. We have been meeting and planning to make this year work as best as possible. The 5th-grade teachers are Mrs. Rasheta, Mrs. Peterson, Ms. Larsen, and Mrs. Limb. You will receive valuable information regarding middle school and the upcoming year.

You will find a school supplies list attached for this upcoming year. This list can also be found on the Middle School Website. At the top of this list, you will find the necessary items that each student needs to bring for the first day of school. At the bottom of the list is a wish list for extra supplies. If you can help with the extras, we would be so appreciative.

If you have any questions or concerns, please do not hesitate to contact us. The middle school number is 783-4341. We look forward to a wonderful year!
