

Greetings, North Stars!

I am sending this email to communicate a few logistics regarding your attendance at the Fox Valley Career Center. FVCC and SCN both start on 8/14/24 this year! Please be prepared to follow your FVCC schedule on the first day of school. *Note that the first day of school is an Early Release Wednesday.*

**FVCC Bus Schedule 2024-2025**

- The sessions 1-3 buses will leave North from the front of the building (in front of Door #4) and will return to the same location.
- Session 4 students are responsible for their own transportation to FVCC.

*\*BNAT & Health Occupations-EMC students will ride the FVCC bus until their clinicals begin. Students will then drive themselves to their clinical sites.*

*BNAT Clinicals run from the end of October/beginning of November through April.  
EMC Clinicals will take place during the month of April only.*

**What do I do if FVCC is closed?**

Students enrolled in Session I, II, and III should go to the LRC Study Hall section during their assigned FVCC periods. Students enrolled in Session IV should go to the LRC until the end of the school-day and then will go home after the final bell of the day. This will be true for any day that FVCC is not in attendance.

**What do I do for Early Release or special schedules?**

FVCC students attend their regularly scheduled sessions during Early Release and special schedules and will be marked excused/field trip by the Attendance Office. Students are responsible for any work missed and should communicate with their North teachers regarding the plan to make up any missing assignments. Any exceptions to this general rule will be communicated via email.
