If you are a member of a union, you can sign this open letter against the cuts:

You can also write to your local MP asking them to oppose the proposed benefit cuts. The group "Crips Against Cuts" has created this email template:

And you can find the contact details for your MP here:

There are 120+ Labour MPs who have already signed a reasoned amendment in opposition of the disabilities cuts, and you can search through the names of who has done this here:

There's an online protest planned for today from 8pm that anyone can get involved with:
