If a coach already has a CDL license and would like to drive a school bus for the activity they coach or sponsor they will be paid the following: $50.00 stipend for trips less than 60 miles and $75.00 stipend for trips equal to or greater than 60 miles. This stipend will be included on their monthly or bi-monthly paycheck. This will apply to school buses only, due to the licensure requirements to drive a bus.
