

Heggerty Phonemic Awareness is a well-organized 35-week curriculum of daily phonemic awareness lesson plans. Developed on a systematic scope and sequence of skills, each level focuses on eight phonemic awareness Skills, along with two additional activities to develop Letter and Sound recognition, and Language Awareness. The lessons are designed to deliver Tier 1 phonemic awareness instruction in a whole group setting and only take 10-12 minutes. For students in need of extra support, portions of lessons could be used in a small group and serve as a “second dose” of phonemic awareness instruction.
